

Hello, Potty!

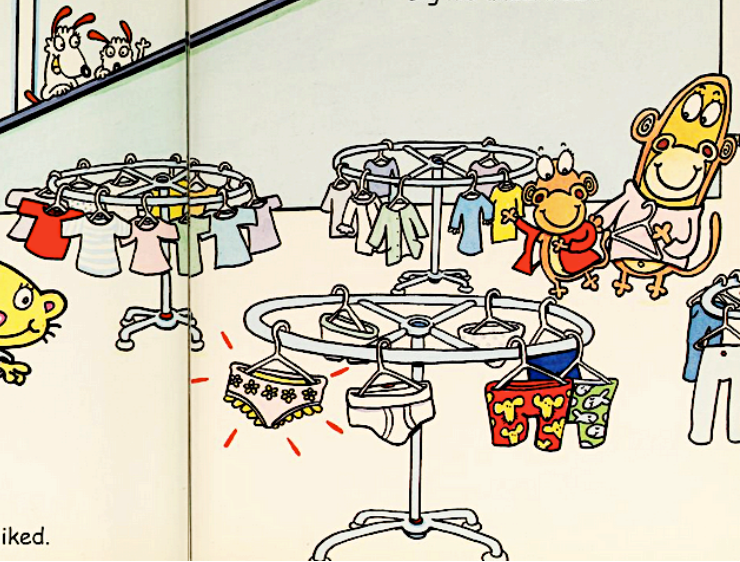

Mommy and I went to
Katmart yesterday.

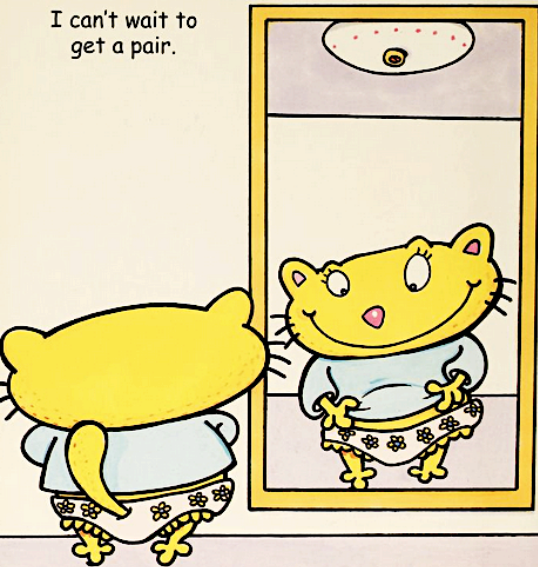

I saw something I really liked.

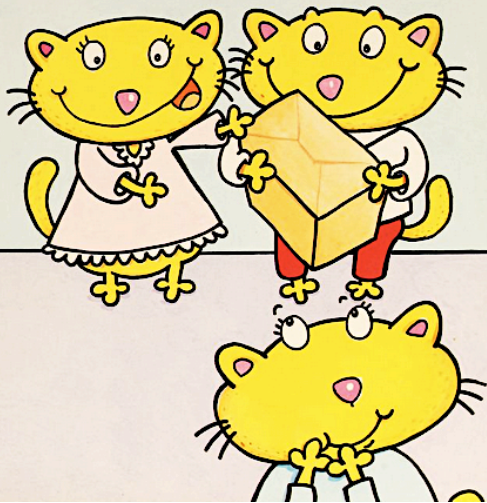

Big kid underwear!

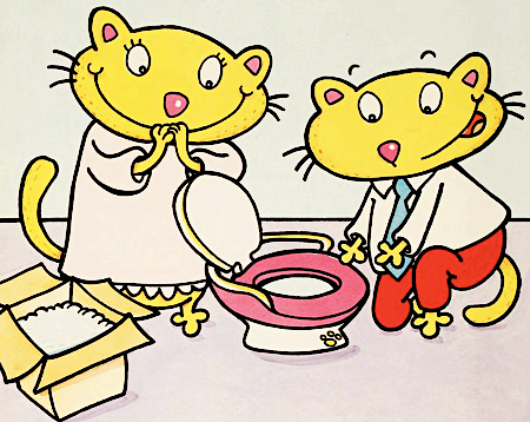

I can't wait to
get a pair.

But Mommy and Daddy say I need
to try something first . . .

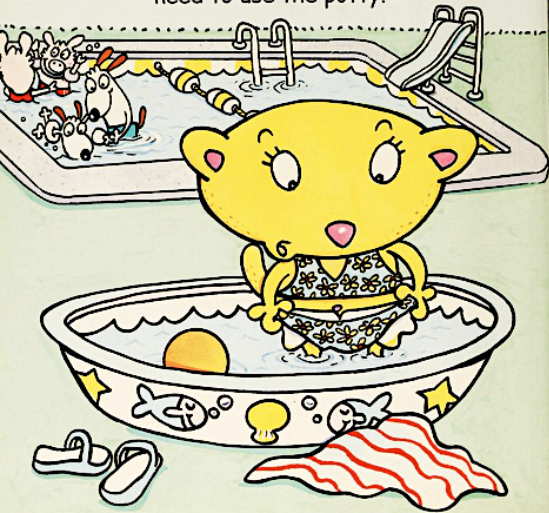

... a potty!

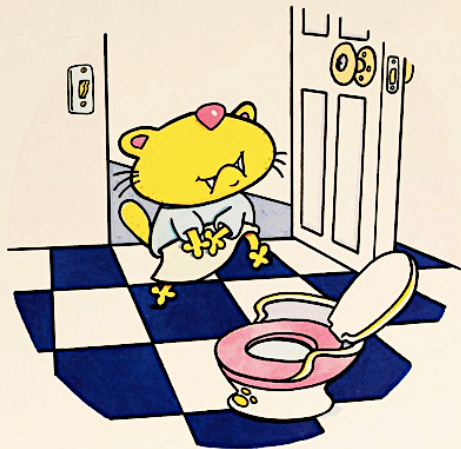

The potty is a special size.
It's made just for me!

Mommy and Daddy say if I get a
funny feeling, that means I
need to use the potty.

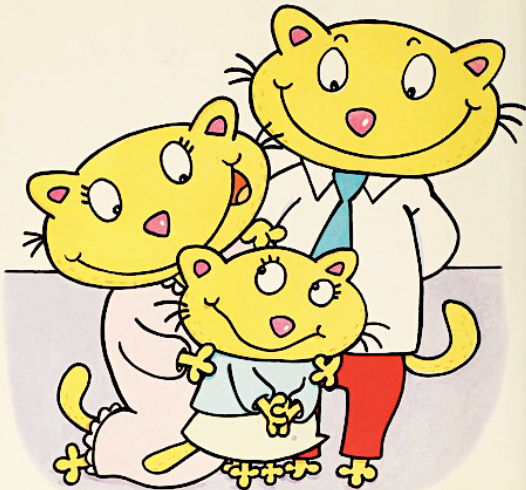

I know that feeling!

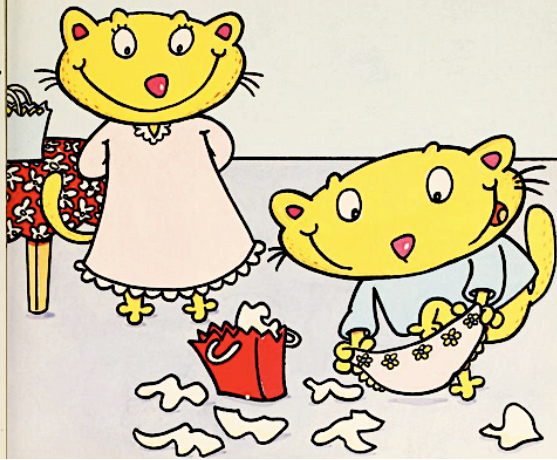

But sometimes I don't make it
to the potty on time.

Mommy and Daddy say that's okay.
Just knowing I need to go is the
first step.

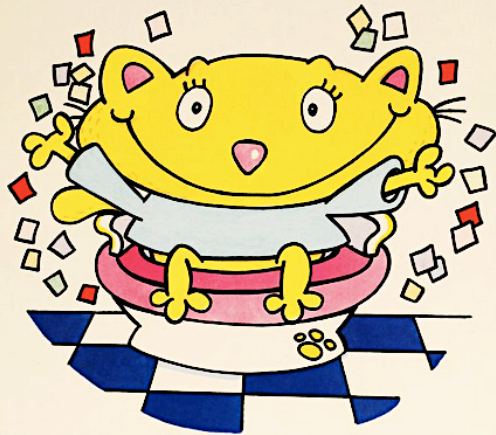

It took some practice, but now I have
my very own big kid underpants—
with flowers on them!

And I can still wear my
diapers at night, so I don't
have to worry.

Mommy and Daddy are proud of me.
I'm proud of myself, too.

Hello, Potty!

Hello, Potty!

It's not easy for little ones to make big changes! That's why Golden Books® has created the LEARN WITH ME® series. The series is designed to make big transitions—like potty training—easier for children and parents alike.
